Toys

Our animals can be pretty tough on toys! KONG TOYS (made from the hard plastic/rubber) can be found at local pet stores. Large parrot toys can also be used for a variety of animals...not just parrots! Check our website for links to purchase larger, indestructible toys for the big guys!

Gift Cards

Gift cards to Walmart, Amazon, Home Depot, Lowes, etc. are always greatly appreciated and are great for making special purchases to construct novel enrichment items.

Arrange a Drop Off

Call the zoo office at 856-453-1658 to arrange your dropoff. Items can be left at the Recreation office or they can let a keeper know to meet you in the zoo.
